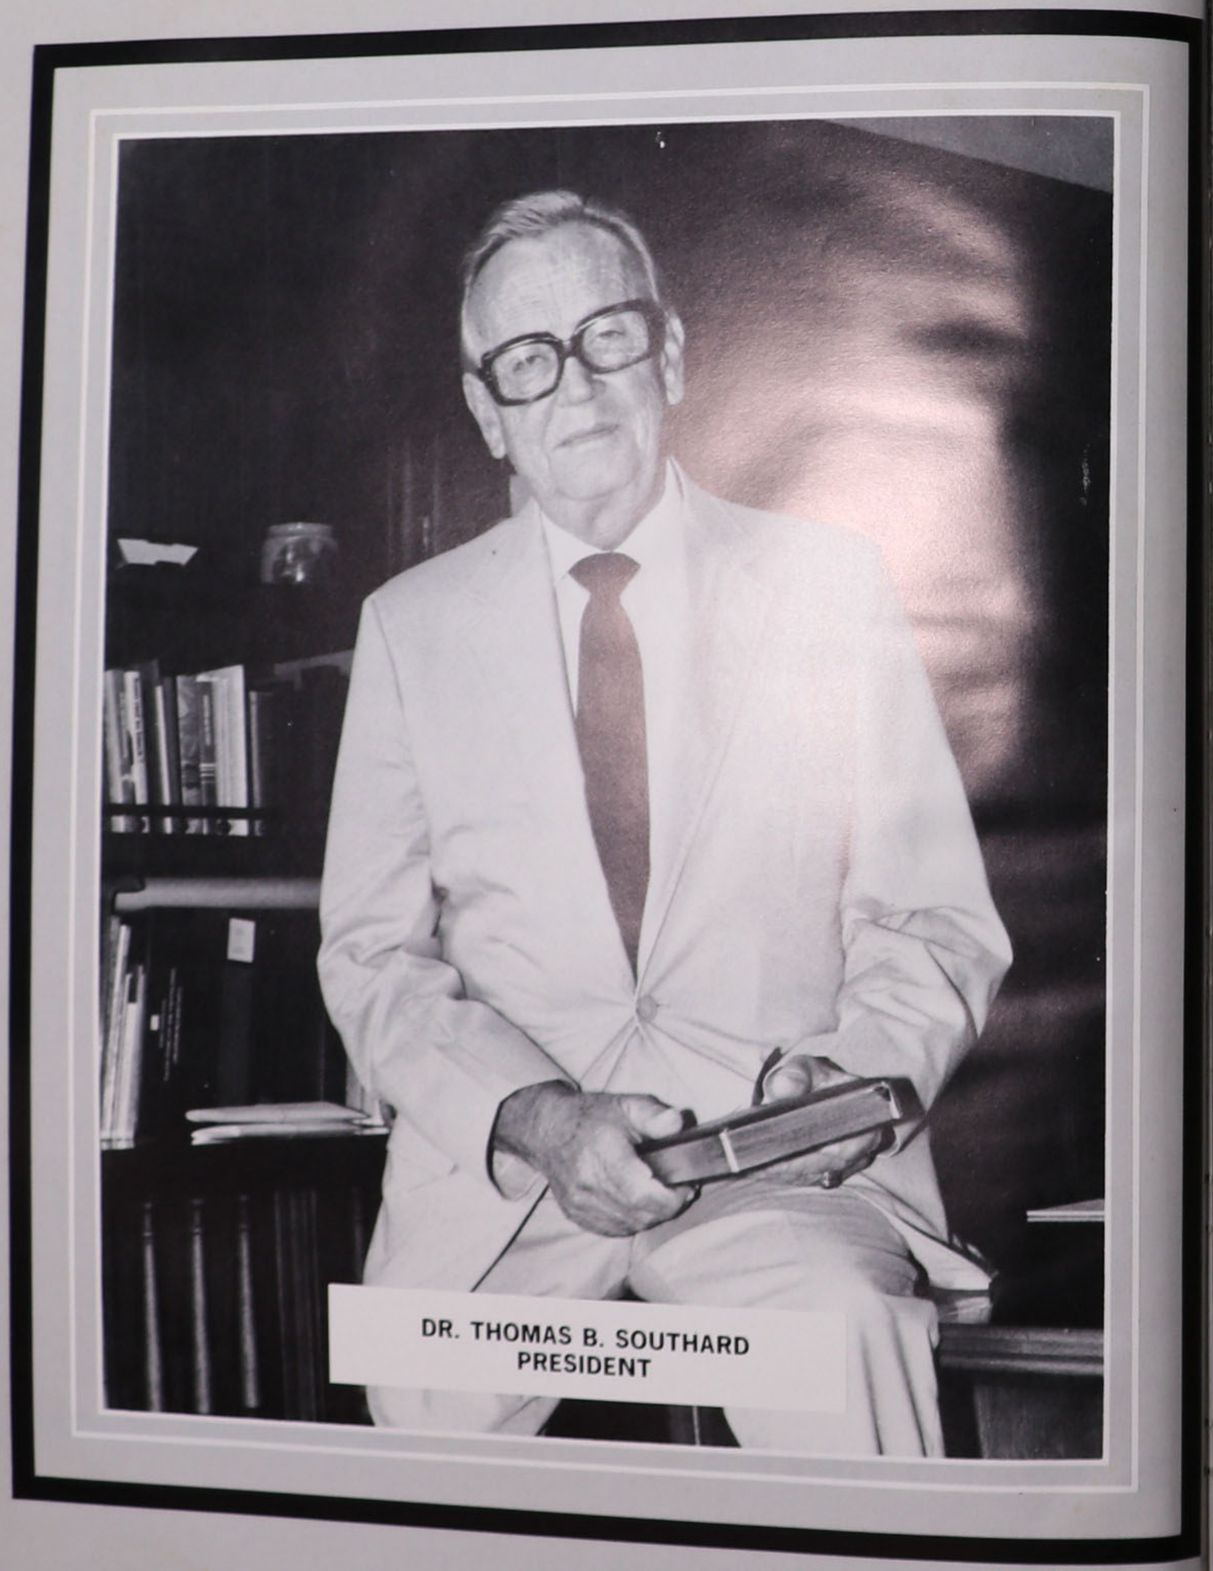
SAINT LEO COLLEGE

SAINT LEO, FL.

25 YEARS LATER . . .



DR. THOMAS B. SOUTHARD
PRESIDENT

MESSAGE FROM THE PRESIDENT

Saint Leo College is nearing the completion of a century of educational services to a developing, changing and expanding region. Situated in the rolling hills of Pasco County, the College aims to provide a quality of higher education to the youth of our nation, neighboring communities and the international community.

With only 25 years of existence in higher education, its history and roots lie deep in the past through its founders — the Benedictine Monks.

As the fifth President of this growing institution, I feel a part of this great tradition — building on the counsels of our founders. Our past makes for a unique present — one of which we should be proud. This 25th Anniversary edition of the **Golden Legend** is designed for each of you to remember Saint Leo and the special times experienced here that you will nurture forever.

May you continue to strive for excellence and be dedicated to the ideals for which Saint Leo is known. In this 25th Anniversary year, let us all cherish that which we have become a part . . . SAINT LEO COLLEGE.

Thomas B. Southard

THOMAS B. SOUTHARD, Ph.D.
President

One June 4, 1889, the ability to confer "The Usual Academic And Other Degrees," was granted to the Order of Saint Benedict of Florida by the Florida Legislature. Saint Leo came into existence.

The school was first a Military Academy but soon became known as Saint Leo Preparatory School. In 1950, the Benedictine Monks decided to develop the 'Prep' School into an institution of higher education. In 1959, Saint Leo 'Prep' School became Saint Leo Junior College. It became a four year college in 1963, and on November 29, 1967, received full accreditation by the Southern Association of Colleges and Schools.

Since then there has been much growth among the programs offered, the standard of excellence and the campus on the whole. Being a small college community, Saint Leo also offered a degree of closeness almost unheard of within larger institutions.

The college is rich with traditions and offers students unique opportunities for a liberal education. This is its primary purpose.

Father Marion Bowman, O.S.B. was the fourth President of Saint Leo College. He served for one year as acting President after Dr. Zaitz resigned and before Dr. Southard assumed his duties. Father Marion had been Abbott of Saint Leo Abbey prior to his presidency at Saint Leo College.

Father Marion is a native of Lebanon, Kentucky and received his Bachelor's degree from Saint Vincent College in Pennsylvania. He holds a masters degree from Fordham University. He was ordained a priest at Saint Leo Abbey in 1931 and became Abbott in 1954.

Father Marion was Chancellor of the Preparatory School as well as director of athletics. He served on the Board of Trustees for many years and acted as chairman at one point.

Dr. Anthony W. Zaitz was elected President of Saint Leo College on May 18, 1968 by th Board of Directors. He was at Saint Leo College for two years before becoming President acting as Chairman of Language and Literature Division. Dr. Zaitz had been a charter member of the University of South Florida faculty when that institution opened its doors in 1960.

Dr. Zaitz was born in Chelsea, Massachusetts in 1916 and graduated from High School there in 1934. He entered Curry College in Boston in 1937 and graduated with a B.S. in oratory in 1941. He received his Master of Arts degree from Boston University in 1947 after serving in World War II as a combat intelligence officer in England with the Army Air Forces. He served on the faculty of many colleges and Universities around the world. At the age of 44, he earned his Doctor of Philosophy Degree from the University of Wisconsin.

Dr. Anthony Zaitz was the third President of Saint Leo College. He served as President until 1970. He continued his teaching career at Saint Leo College until his retirement in 1982.

Father Stephen Herrmann O.S.B. was elected the second President of Saint Leo College in 1961 when it was still a Junior College with less than 200 students. He held the Presidency until 1968 when in accordance with his physician's advice he resigned.

Through his Presidency, Saint Leo went from being a small junior college to a fully accredited four-year co-educational liberal arts college.

Father Stephen received his PhD from the University of Florida and spent over 45 years at Saint Leo Abbey as a brother, a priest, a professor, and college president.

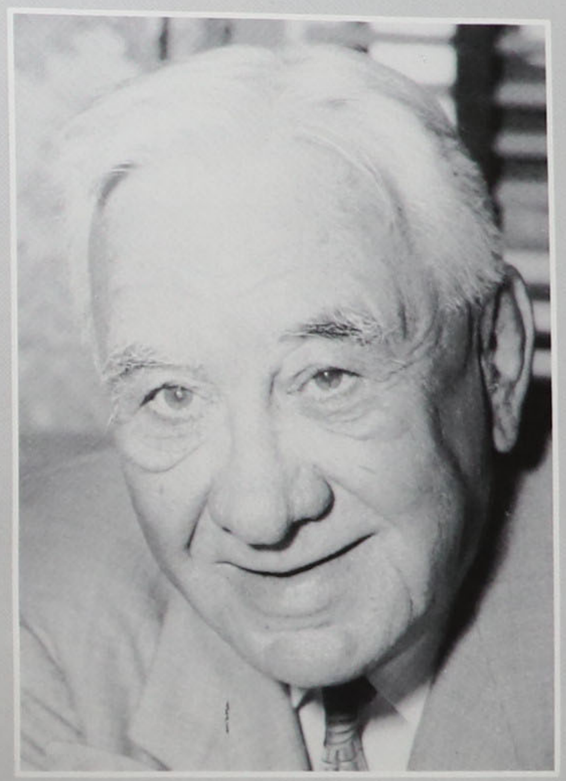
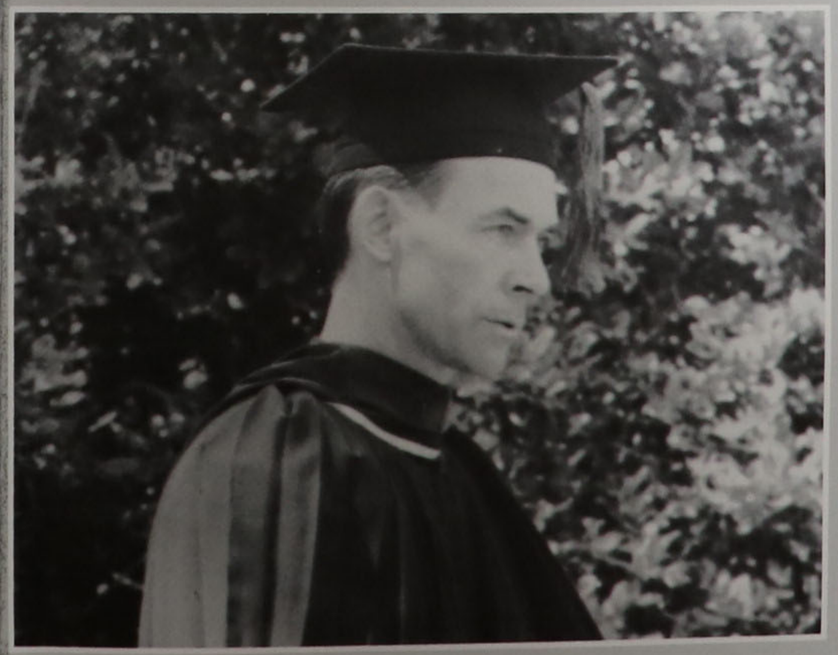
FAR RIGHT — FOURTH PRESIDENT OF SAINT LEO COLLEGE. REVEREND MARION BOWMAN.

Dr. John I. Leonard was the first President of Saint Leo Junior College. He was a clear minded, practical Educator who had a sharp intellect and fought for college students most of his life.

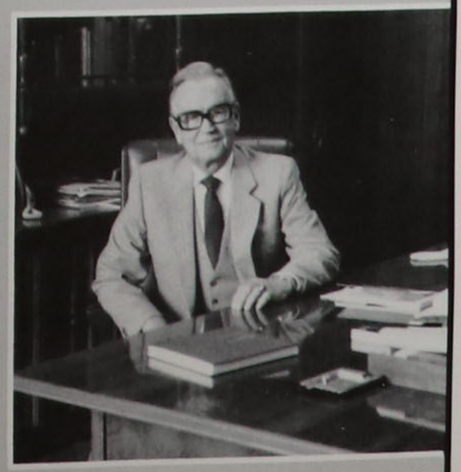
Dr. Leonard came to Saint Leo at the age of 73. With the wealth of his background and the backing of the Benedictine venture, he breathed life into the first catholic junior college — SAINT LEO JUNIOR COLLEGE.

"Mr. Junior College" as he was referred to was a versatile scholar who laid a foundation for others to follow. After his death, Father Stephen O.S.B. was chosen to step in Dr. Leonard's footsteps.





The Fifth President of Saint Leo College Dr. Thomas B. Southard was elected as President on July 1, 1971. He is celebrating his 13th year in this position. Dr. Southard was born in Ohio in 1920. He received his Bachelors of Arts and Science from Capital University in Ohio. He received his Master of Arts in School Administration as well as his Doctor of Philosophy degree from Ohio State University. Prior to coming to Saint Leo College Dr. Southard was the superintendent of Pinellas County Public Schools.



IN THE 1960'S, SAINT LEO COLLEGE AND THE SURROUNDING AREA UNDERWENT MANY CHANGES. COMPARE THEM WITH TODAY.

The changes on campus happened at a remarkable rate. Things disappeared as well as appeared very rapidly. A pair of lions (below) used to be situated at the entrance of the college. Many students, like this one, found comfort near him while studying for exams.

As development continued around the campus, the Administration was looking for ways to increase the population of the college. With this in mind, construction increased, and housing facilities were the main goal. Roderick Hall was built to house the ever increasing number of students.

Life at Saint Leo College has not changed too much in the 25 year history. Of course the Freshman initiation run through Dade City, cheerleaders' skirts to the knees, and crew cuts no longer exist. However, the sedateness of Saint Francis Hall, the college bus, dances and cheerleaders are still in existence and probably will be for a long time.

SAINT LEO COLLEGE HAS SEEN MANY FASHION CHANGES SINCE ITS OPENING 25 YEARS AGO. THE COLLEGE HAS GONE THROUGH MANY PHASES — FROM SUITS AND TIES IN CLASSES TO TEE-SHIRTS AND SHORTS ALMOST ANYWHERE. EVEN THE TEACHERS HAVE CHANGED WITH THE TIMES.

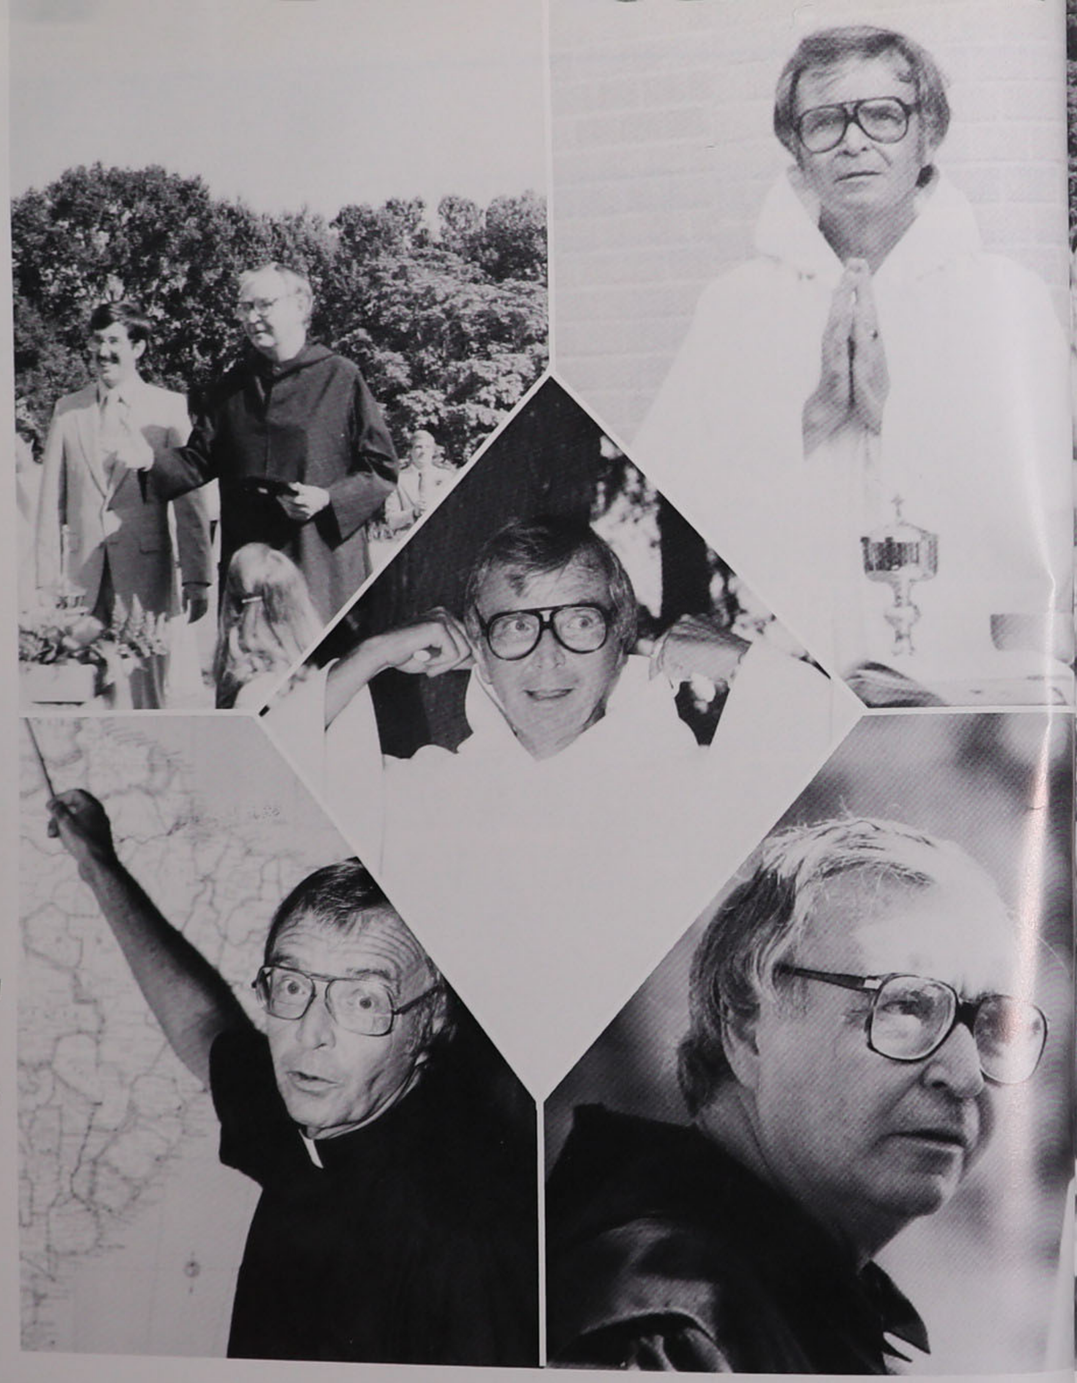
ABOUT THE BOOK

The Golden Legend 1983-1984 is designed to offer students, faculty, and staff a glimpse of Saint Leo's unique Past and promising future.

Through pictures of student life, activities and a taste of the traditional past, the book attempts to portray "Our campus 25 years later."

The Golden Legend hopes that Saint Leo's past is appreciated; its present colourful; its future bright.

1984 DEDICATION



REV. J. DENNIS MURPHY, O.S.B.

The staff of The Golden Legend decided that the dedication should go to someone who has spent countless hours in helping students as well as the college. In our 25th Anniversary Year, we chose to dedicate the 1983-1984 Golden Legend to two individuals — Rev. Dennis Murphy and Mr. Willie Glover.

For over 25 years Rev. Murphy has given his life to improve that of Saint Leo's. Born February 7, 1932 in New York City, he joined Saint Leo Abbey in 1950. From 1955-1959, he served as a faculty member, an Infirmarian and a Prefect of Discipline for the 'Prep' school. He continued his services after assisting in the conversion of the 'Prep' school to a two-year college and then a four-year college.

At the college level he served as Director of Special Freshman Institute, a faculty member, Chairman Division of Social Sciences, Registrar, Dean of Records and Admissions, Director of Financial Aid, Infirmarian and Prefect of Discipline. Presently he serves as Director of Admissions.

Rev. Murphy knows the meaning of much work and after giving over 25 years of service, he is resigning at the end of this academic year. The Golden Legend staff wishes him all the best. THANK YOU REV. DENNIS!

1984 DEDICATION

MR. WILLIE GLOVER

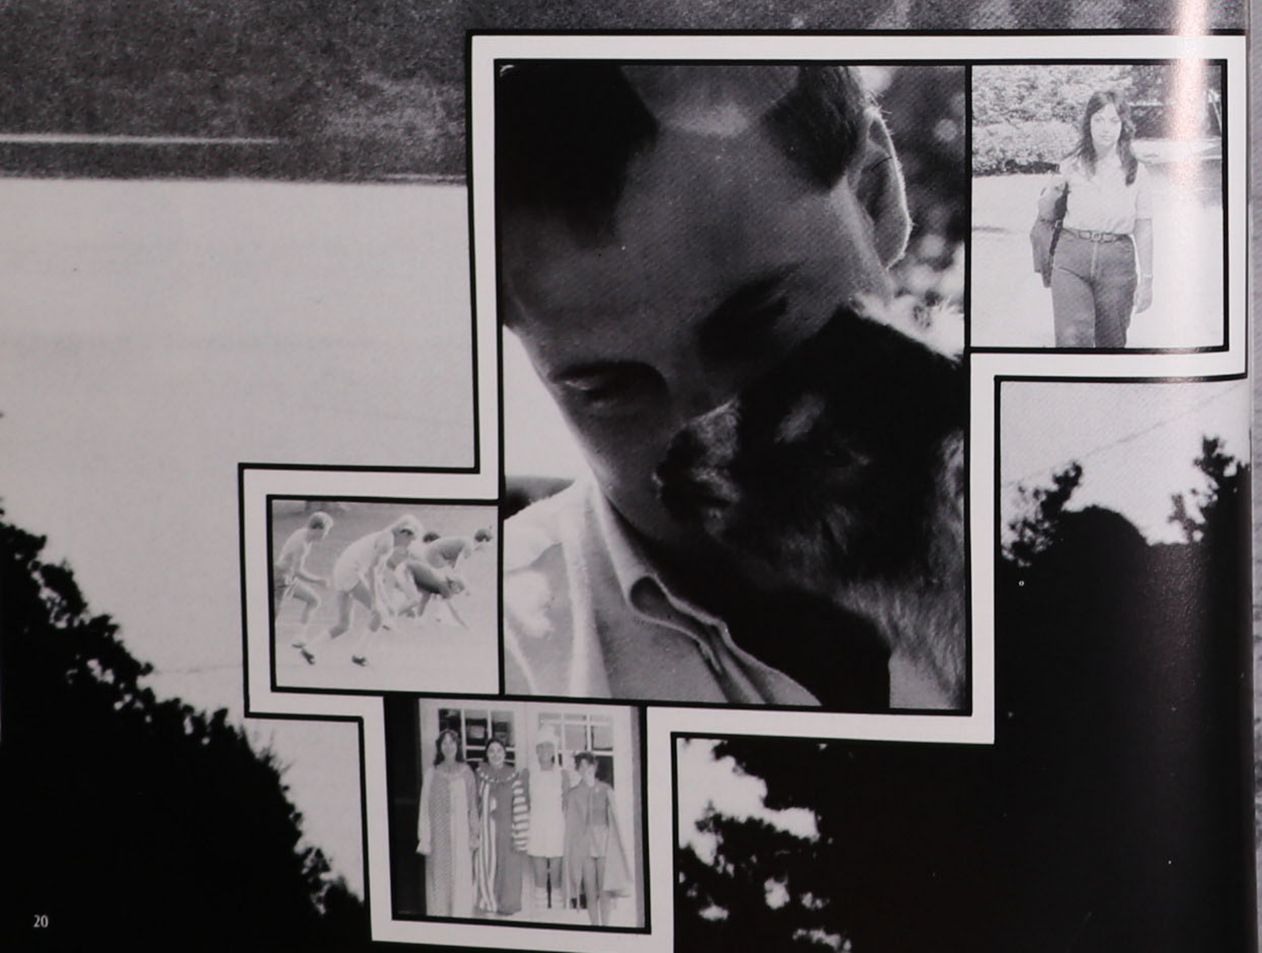
Commonly referred to as "Everyday" by most students, Willie is another hard worker who enjoys being around people — especially students.

Willie began working at Saint Leo in 1958. He started in the kitchen with the Carmelite Sisters preparing food for the 'Prep' school students. In 1959 when St. Charles Hall (monastery) was under construction, Willie's help was sought. He eagerly consented and found joy in such a venture.

After the Hall was built, he worked with Brother Paul and showed his leadership abilities as supervisor of painting. He continued to excel and became supervisor of housekeeping. In 1974, Brother Paul retired from the College and Willie became supervisor of housekeeping, moving and painting. He is still serving in that capacity.

"I saw the College grow and it's like home. I'm looking forward to 25 more years here because the students are nice," he said.

Born on October 9, 1929, Willie has, through the years, proven that as burdens grow, men grow. The staff of the Golden Legend salutes you.



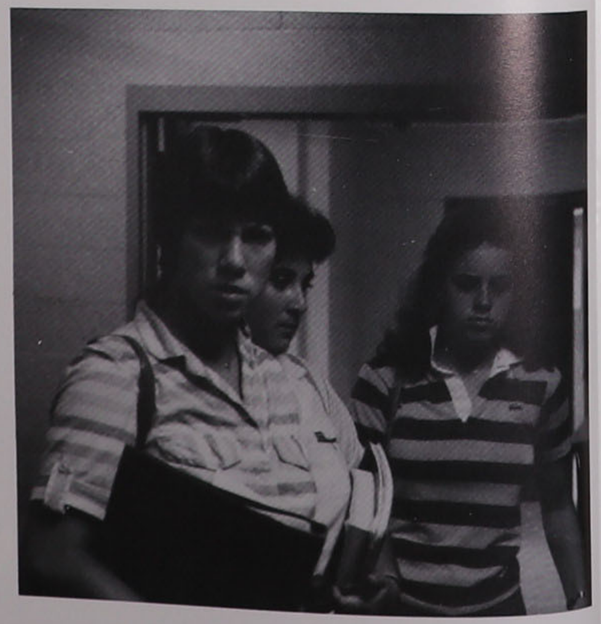
STUDENT LIFE

OPENING WEEK

At the beginning of the 25th Academic year, Saint Leo opened its doors to hundreds of new and returning students. These students filled the atmosphere with fun and laughter.

During the week, the new students went through orientation. They were put into various groups so they could better acquaint themselves and learn more about Saint Leo and its rules. Returning students assisted during this period and the new students had ample opportunities to ask questions about the campus.

The week ended and the beginning of the next week saw the remaining students return for registration. Proud of its accomplishments in the last 25 years, Saint Leo still has the ideal of giving students higher levels of achievement.



ABOVE: New students get acquainted with the campus. Here Kim Cassar, Alphanette Francis and Jackie Dames take a tour of the campus.
RIGHT: Can somebody tell me where to go?

WE BEGIN . . .

I need some more credits! This is not enough.

Many trials, many tasks,
So many things to learn,
giving of myself to others
Receiving from them in return.
And when the time had come to leave,
The many saw what each had done.
We found our strength in God's great gifts,
And of many, I was one . . .

CANDIDS

LIFE IS GRAND IN LEO LAND! Preserving its goal to give students higher levels of achievement, Saint Leo also offers students the pleasure of social contact, the stimulation of lots of physical exercise, the courage to make decisions and the joy of sharing.

LAKE JOVITA

Edging the beautiful campus of Saint Leo, Lake Jovita offers students the tranquility of her shores and the liveliness of her inhabitants. Fishes and birds take advantage of this peaceful setting and as time passes, students singly invade that peaceful setting.

The spring-fed lake is a place where students go to sun bath on her docks; lovers go to surround themselves in a naturally peaceful environment; friends go to talk and have a good time. Lake Jovita . . . it's a soothing place.

DORM LIFE

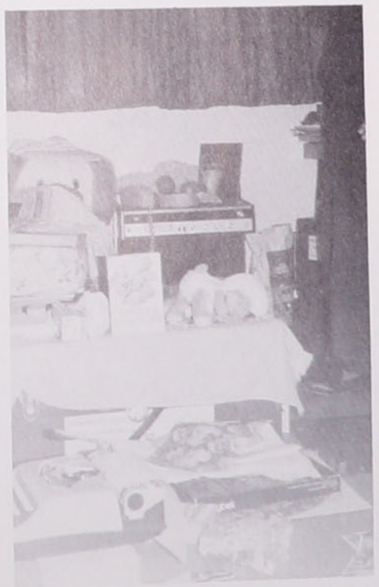
Some rules governing residence hall living (1967-1968)

Keep your room neat at all times. Cleaning equipment and materials are provided.

Occasionally, the college must impose upon the privacy of the student's room. Checks for cleanliness and investigation of possible violation of policy constitutes the main reasons for entering a student's room by a staff member.

Other than in office areas, classrooms, and first floor lounge areas, women are not permitted to visit in men's residence halls.

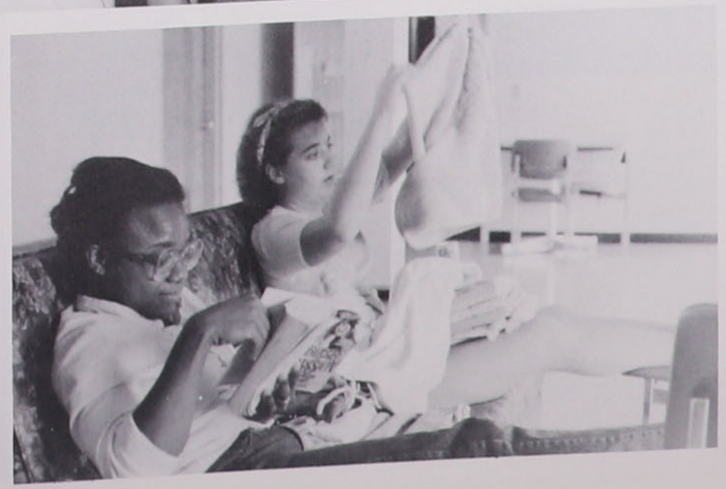
Each male resident is required to "sign-in" every evening in his residence hall between 10:30 and 12:30 pm.



"Dorm living contributes greatly to the overall educational experience of a student." It is a challenge that makes a student mature.

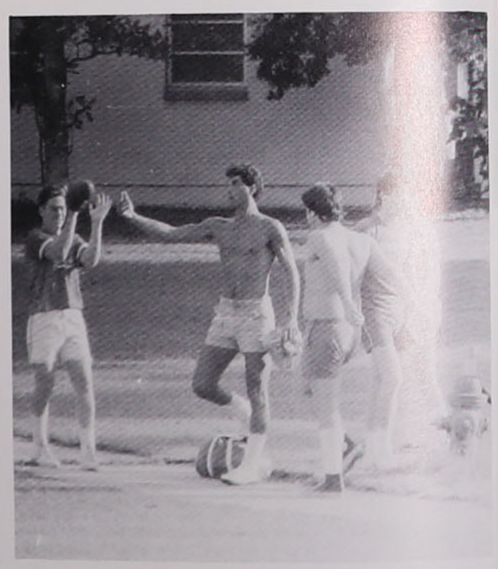
Dorm living has its difficulties. It is rules and regulations; it is having a roommate; it is waiting in line for a shower; it is discovering no toilet paper when in need; it is getting angry at noisy neighbors; it is having no hot water when you reach the shower; it's eating lousy meals.

Despite all the disadvantages, dorm living provides a chance to meet friends, many of whom may be lifetime friends. You become at ease after a while and you begin to reach new horizons — sharing dreams, laughter and happiness.

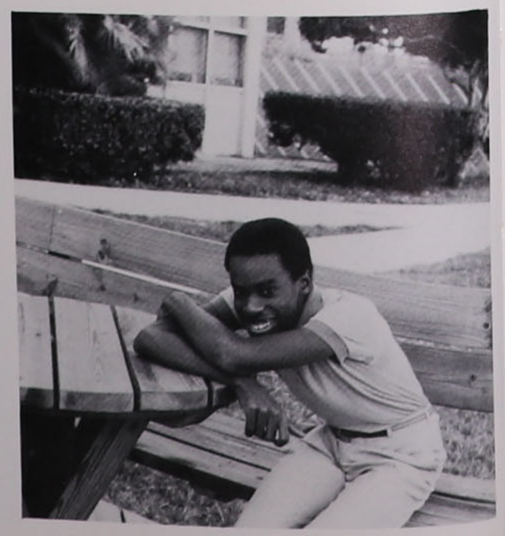


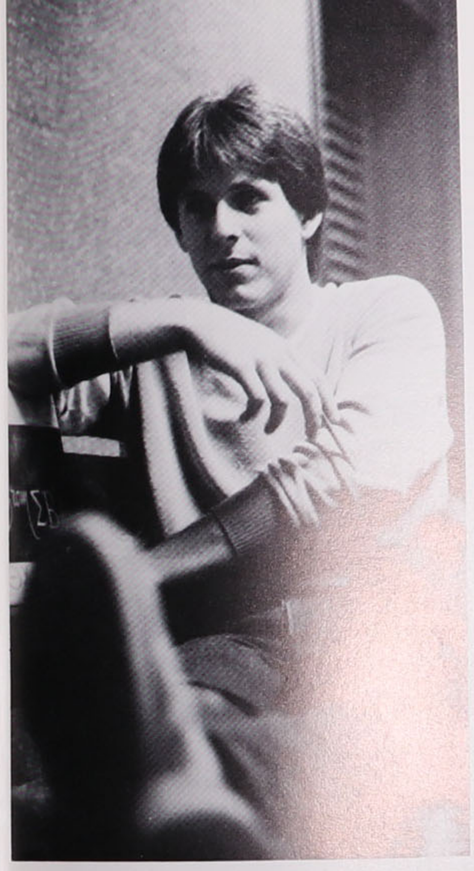
LEFT: Candy Leverett
BELOW: Dorm living in 1962.

LEISURE LIFE — just feeling free gives happiness to the soul and strength to the body. Thus we find ourselves lost in thoughts, sleeping, strolling or just plain relaxing.



The atmosphere of Saint Leo allows for this. Many get that inner strength to play football. Yet we become exhausted from whatever pleasure we indulge and we fall asleep.





LEISURE LIFE

The Establishment offers students a chance to escape all the hustles and bustles of school and indulge an entirely different atmosphere — to relieve self of stress but not to 'sink'.

There's also Ronnies, Ralph's and our very own Lion's Den. These places allow the teacher/student identities to vanish (at least for a while) and allow us to be just people.

WHO'S WHO

Thirteen students were named to be included in the 1984 edition of "Who's Who Among Students in American Universities and Colleges." The students were chosen with academic achievement, service to the community, leadership in extracurricular activities and future potential as a basis.

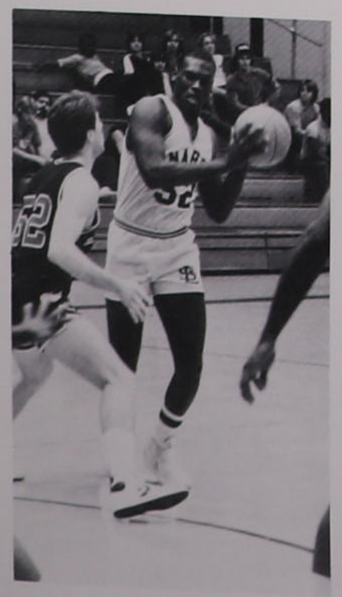
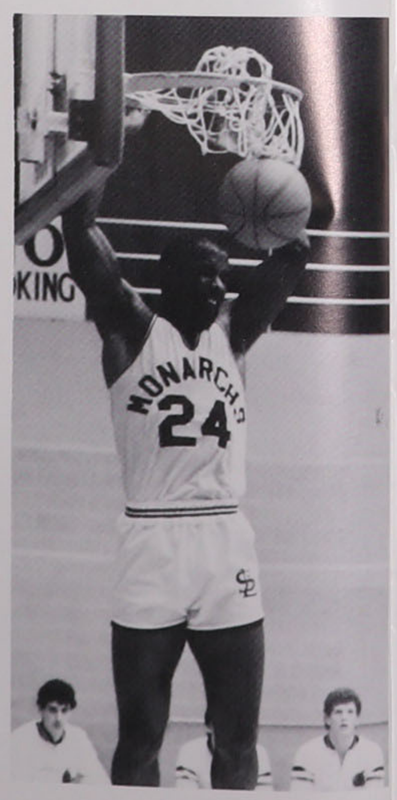
MEN'S BASKETBALL

Bradley "Woof" McDonald assured himself post season honors by being selected to the First Team All-Conference, First Team All-Region, and Honorable Mention as Division II All-American. McDonald led the Sunshine State Conference in rebounding and came in second in field goal percentage. In his career at Saint Leo, Brad McDonald scored 813 points and 540 rebounds. This effort places him in the Top Ten on the all-time list in both categories.

Strong forward, Tim Lovett will be the only returning starter up front next season for the Monarchs. Averaging 10.5 points per game in the Sunshine State Conference and 4.6 rebounds in 26.7 minutes per game, the foul prone Lovett received Honorable Mention in the Sunshine State All-Conference balloting. Coach Richert announced him as co-captain along with Scott Thatcher.





Senior Power forward, Sankar Montoute ended a remarkable season averaging 7.7 points per game and 7.9 rebounds per game overall. As captain, he was also distraught in learning the outcome of the 'coin flip.' Montoute is seeking a professional football career after signing with the Kansas City Chiefs of the NFL as a free agent.

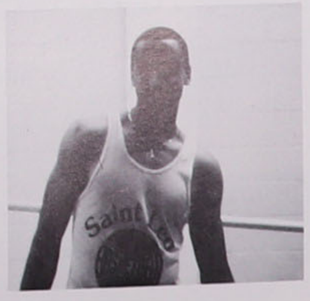
Coming off last season's 15-11 record, the Saint Leo Men's Basketball squad began rolling again by opening the 1983-1984 season with a road victory against Palm Beach. The Monarchs put together a 7 game winning streak after losing their first 3 conference games.

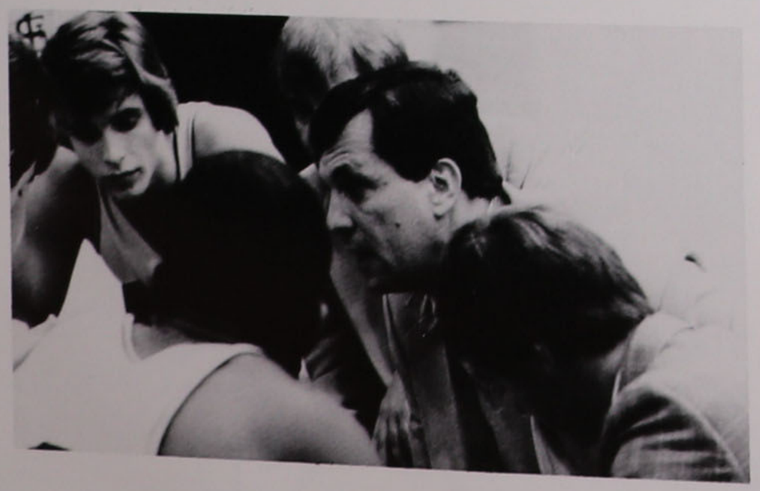
With Freshman Jim Wilson at the point and Brad McDonald at the pivot, the Monarchs were ready for any challenge.

Coach Gary Richert was selected as Coach of the Year along with 3 others. Going into his 5th year, Coach Richert is very confident with his players and looks forward to a better year.



SAINT LEO LOSES TOURNAMENT BERTH HEADS UP

The Saint Leo Monarchs' season came to an abrupt end this year after a "coin flip" for the final spot in the Sunshine State Conference Tournament. "I was very pleased with the turn out of the season but unhappy that our team was unable to make the conference tournament," said Coach Richert. "I was glad to see them have a winning season back to back for the first time since 1970-1971 and it was a record number of conference victories for Saint Leo."



The Monarchs finish the regular season with an overall record of 14-13 and a conference record of 8-6. This placed them tied for fourth place with Villanova of Miami (Biscayne).

As a unit, the team seemed to have been preparing for post-season play. The versatile performer, Scott "Sleepy" Thatcher, scored 98 points in the last four games for a remarkable 61%. He also received Honorable Mention in the Sunshine State All-Conference selection.

Next season, the Monarchs' schedule is highlighted with return trips to Washington, D.C. to face the Georgetown Hoyas and the Gaels of Iona College in New York.

Freshman Guard, Jim Wilson, also received Honorable Mention in the Sunshine State All-Conference selection and led the conference in assists with 6.9 points per game. He had a season high of 18 points in a losing effort to the University of Tampa Spartans.

WOMEN'S TENNIS

MEN'S TENNIS

The Saint Leo College Men's and Women's Tennis teams spent this past season learning and earning some respect in the Sunshine State Conference. The Men's squad placed fifth in the SSC tournament and the Women's team finished third. "We finished behind the teams that beat us during the regular season and ahead of the teams that we beat," stated Coach Crosby. "We did about what we expected, but the kids showed me a lot of good things even in defeat," he continued.

The Men's team finished with an overall record of 9-19 and the Women's team had an overall record of 11-9. "We learned a lot this season and I think we improved enough to be proud of what we've done," said Crosby. Good luck next season.

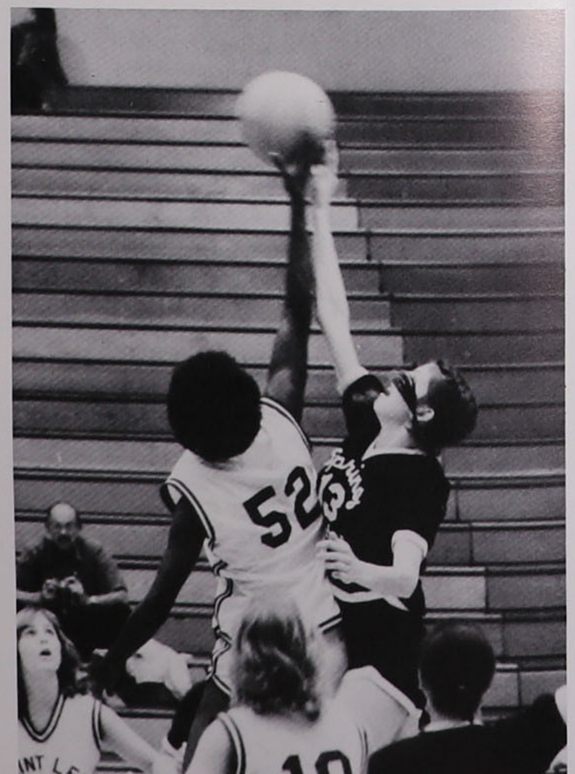
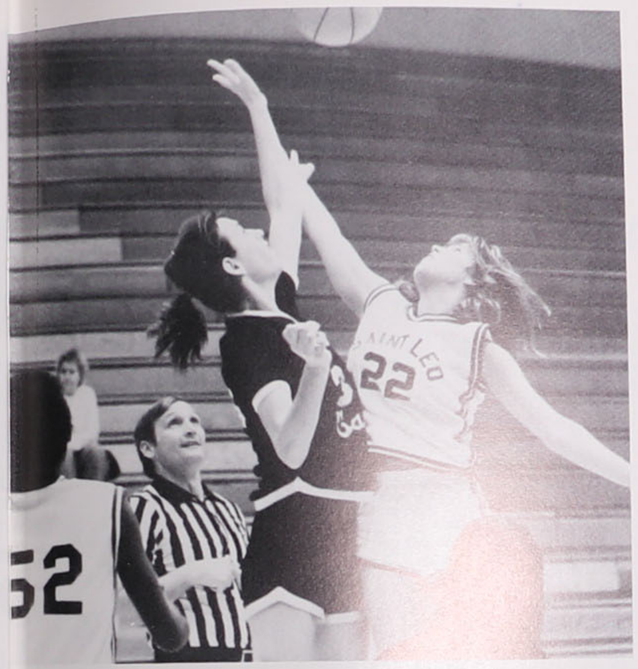
WOMEN'S BASKETBALL

The Saint Leo College Lady Monarchs basketball squad began their season by securing their first five games and a 9th place ranking for scoring offense among Division II contenders nationwide.

Led by freshman guard Denise Brooks and center Ursula Kirnes, the Lady Monarchs finished the season with a 10-12 overall record. Brooks led the team in scoring with a 15.5 average, assists with 4.7 per game and steals with 98. She received honorable mention in the SSC All-Conference selection.

Kirnes led the SSC in rebounding averaging 13.0 per game and securing 10th place nationwide among Division II contenders. She also received honorable mention in the SSC All-Conference balloting.





SWART

wants girls to have fun

John Swart brings a wealth of experience to his first season as head coach for the Lady Monarch basketball squad. Enthusiastic about the program, Coach Swart stated, "I'm not expecting any miracles or a championship season. I just want the girls to have fun . . ."

The academic all-star hopes to get the community involved with the program. "You have to operate a program from its strength and getting the local community involved would do the trick," said Swart.

With the anxiety of the players, the season was successful even though they fell short of their goal — the SSC tournament. The return of this year's players next season and the newcomers should provide for a competitive, respectable and aggressive program.

Coach Paula Smith viewed the 1983-84 season with much optimism and enthusiasm. Seven newcomers with lots of talent and playing experience along with six returners, provided the program with a balanced offense and defense. In her fourth season as head coach, Smith was assisted by Delton Farquharson and Philip Davis. She feels that the girls can be very competitive and looks forward to a great season next year. The team finished with a 12-17 overall record.

Cross Country: A Team Event

The Cross Country team competed in five meets this season and hosted two of them. Behind the efforts of coach Pat Reedy, both the 3rd annual "Monarch Classic" and the Sunshine State "Championship Run" were successful.

Cross Country is a team event but everyone has to give an individual effort. This year the men's team finished 5th in the SSC. And the women's team finished 7th.

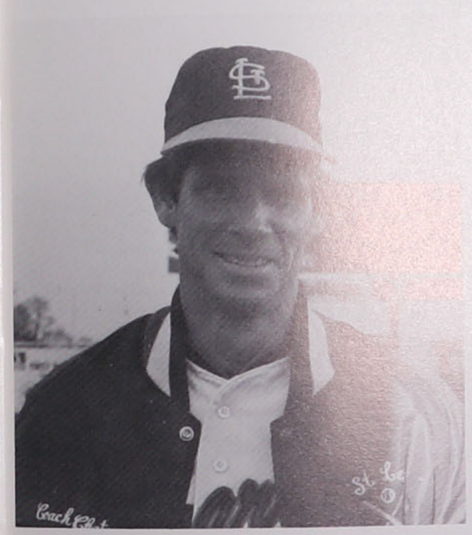
CHATMAN, NEW BASEBALL COACH

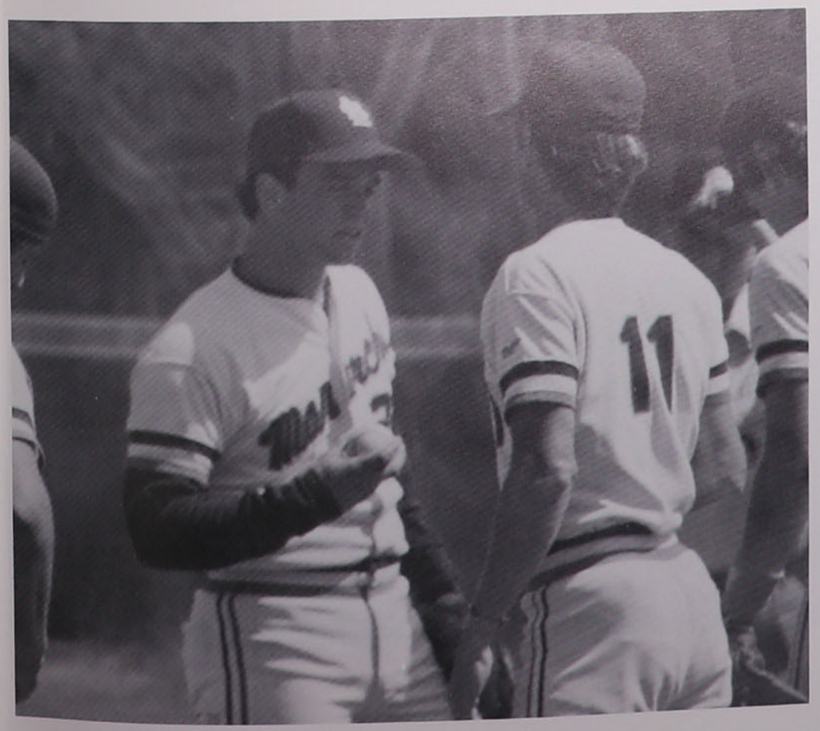
WILLIAM ERNEST "ERNIE" CHATMAN JR. of Brooksville joined the coaching faculty at Saint Leo College as its full-time baseball coach. With the wealth of experience he has, the Monarch thus far, is ranked 6th in the nation among Division II contenders.

Chatman replaces Gary Calhoun who succeed Ed Cardieri. According to Norm Kaye, Athletic Director, "We are very happy to have him with us. Chatman not only has been successful in High school baseball, but has been successful in the post-high school with Dixie League teams, which he has taken to the world series.

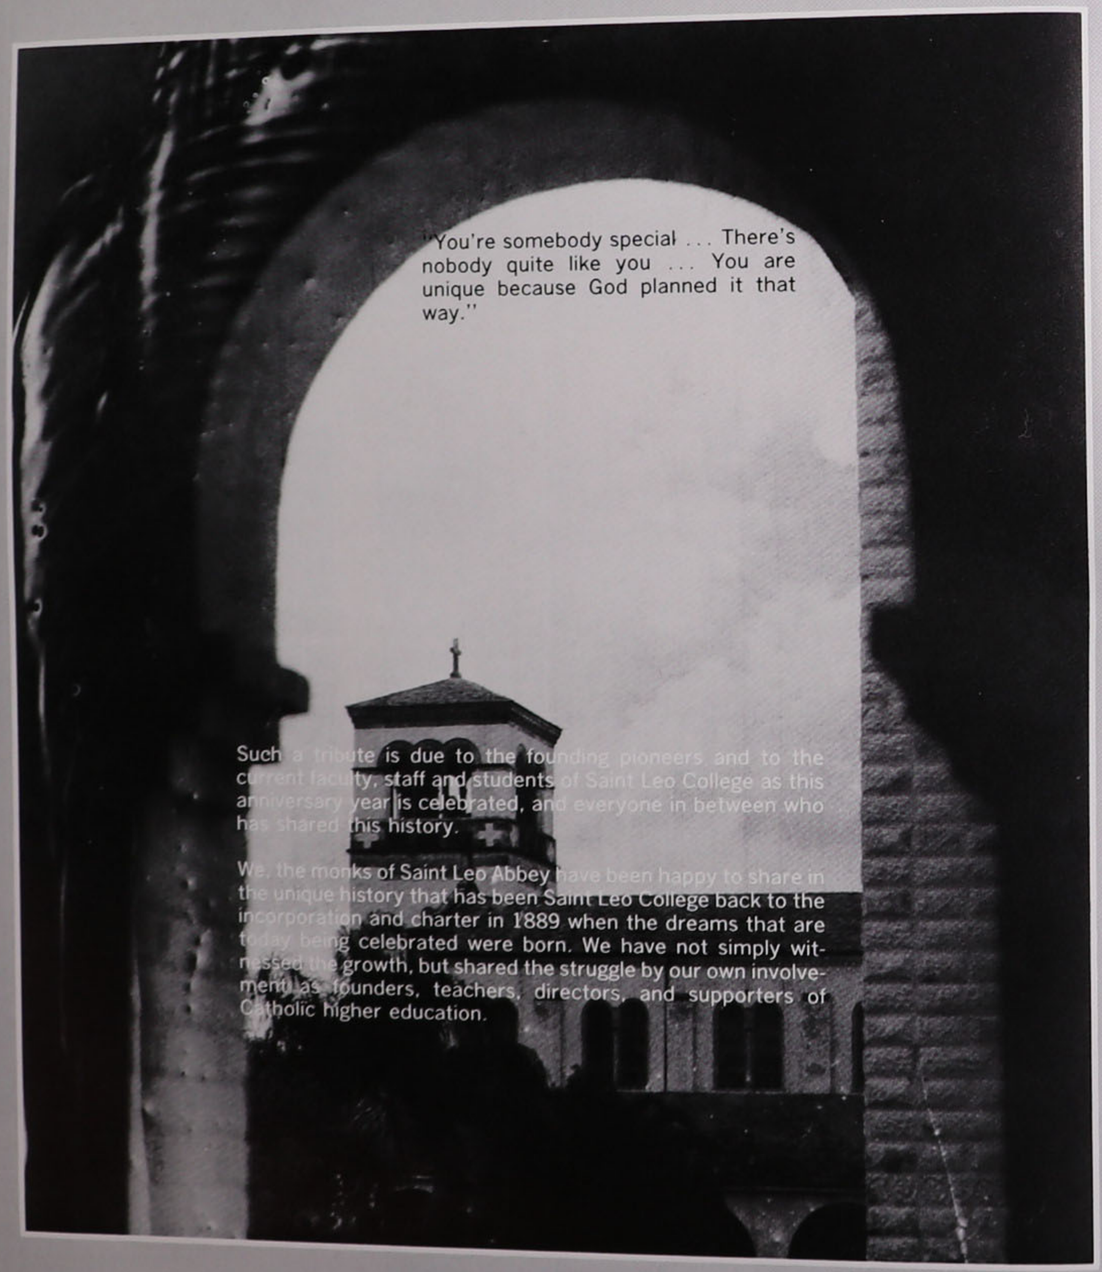
Since Chatman's arrival, the team has shown lots of optimism. They have performed to their utmost ability under his direction and in doing so have achieved a new school record for the number of games won. In his first season, Chatman is hoping for a bid to the regional tournament and hopefully the college world series victory.



Coach Chatman and Bob Gibree confer.



In celebrating our 25th Anniversary as an institution for higher learning, the staff of the Golden Legend would like to say a special thank you to the Monks of Saint Leo Abbey for continuing the dreams of their Benedictine Forefathers and keeping learning alive. We wish them God's Blessing.



Such a tribute is due to the founding pioneers and to the current faculty, staff and students of Saint Leo College as this anniversary year is celebrated, and everyone in between who has shared this history.

We, the monks of Saint Leo Abbey have been happy to share in the unique history that has been Saint Leo College back to the incorporation and charter in 1889 when the dreams that are today being celebrated were born. We have not simply witnessed the growth, but shared the struggle by our own involvement as founders, teachers, directors, and supporters of Catholic higher education.

We, the Staff, would also like to extend our gratitude and appreciation to the Sisters of Holy Name Priory for their contribution to the continuous existence of Saint Leo College. You all have made life richer, happier and healthier and for this we are grateful. THANK YOU!

The Benedictine Sisters of Holy Name Priory have been educators in Florida since 1889. Members of the community have served Saint Leo College in staff, faculty, administrative and trustee positions since the beginning of the College. The Sisters participate in the life of the college community by their presence on campus, prayer, work and sharing of themselves for the good of all and the glory of God.

SOCCER

Under the direction of head coach Lynn Decker, the Monarchs soccer squad won their season opener over Warner Southern but came up empty handed against UCF. The team blended to show signs of brilliance by defeating Division I contender, Stetson University. On many occasions the taste of victory was at hand, but the rigorous level of competition darkened all hopes of winning. "We are now just reaching any kind of continuity and cohesiveness ..." stated Coach Decker.

The team has shown a considerable amount of improvement over last year's team and the departure of three seniors in mid-season didn't alter the team's concept. They finished with a 5-9 overall record.

HENDERSON to replace Decker next season.
Announced by Norm Kaye, Athletic Director, Hal Henderson is scheduled to join the faculty as head soccer coach in the fall. He brings with him 19 years of experience complemented by a certification in athletic training.

INTRAMURALS

Intramural sports can be summed up in one word — "FUN". From flag football to volleyball to basketball, whatever sport is played, there always seems to be that element that make the competition fun. This year, winners in each sport were presented with t-shirts and the overall winners were given trophies. Coach John Swart serves as director of Intramurals.

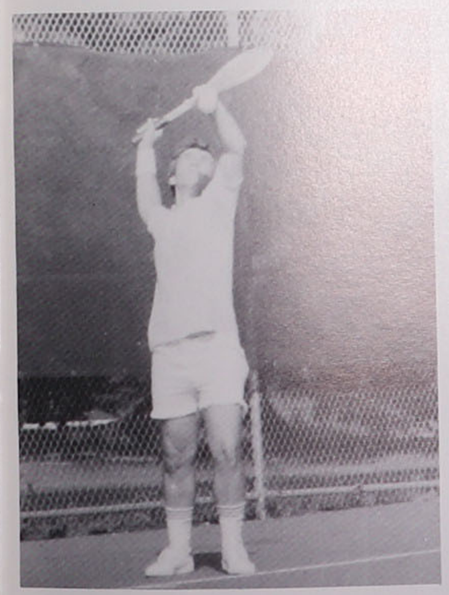
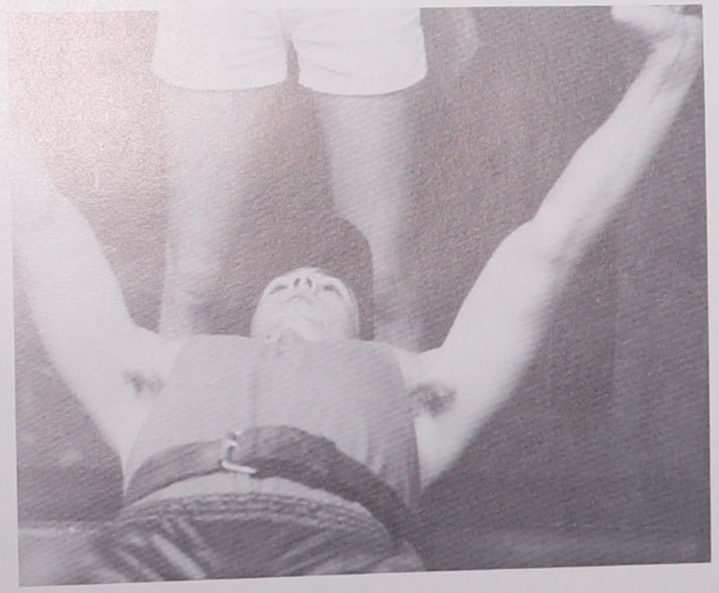
SPORTS LIFE

On every college campus, students are seen enjoying many varieties of sports. At Saint Leo, both indoor and outdoor sports are common. The indoor sports include playing video games, reading, weightlifting, volleyball, and dancing. The outdoor sports include sailing, canoeing, throwing frisbee, skating, racquetball, tennis, basketball and bicycling. Whatever sport it is, this is the life — get involved!





Weightlifting, basketball, and tennis are very common around Saint Leo campus.

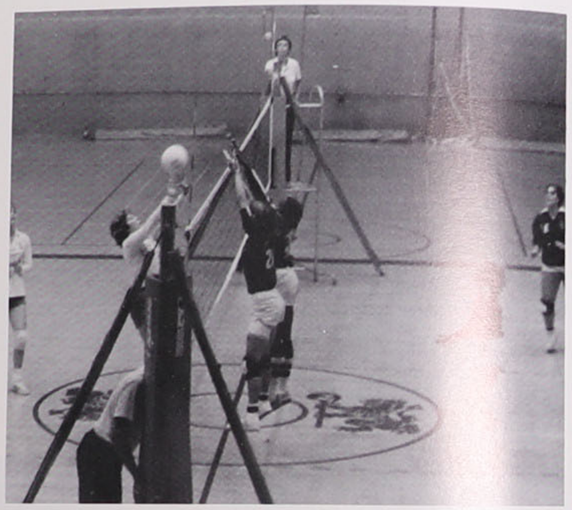
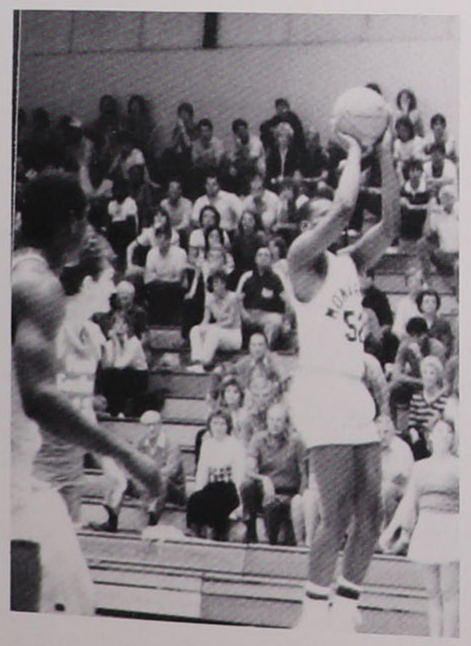
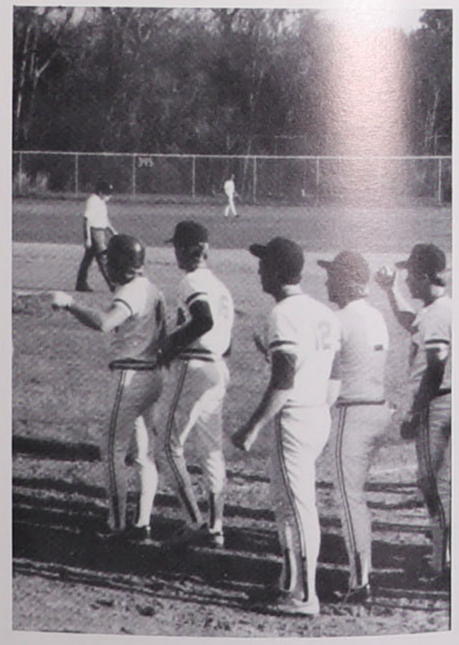
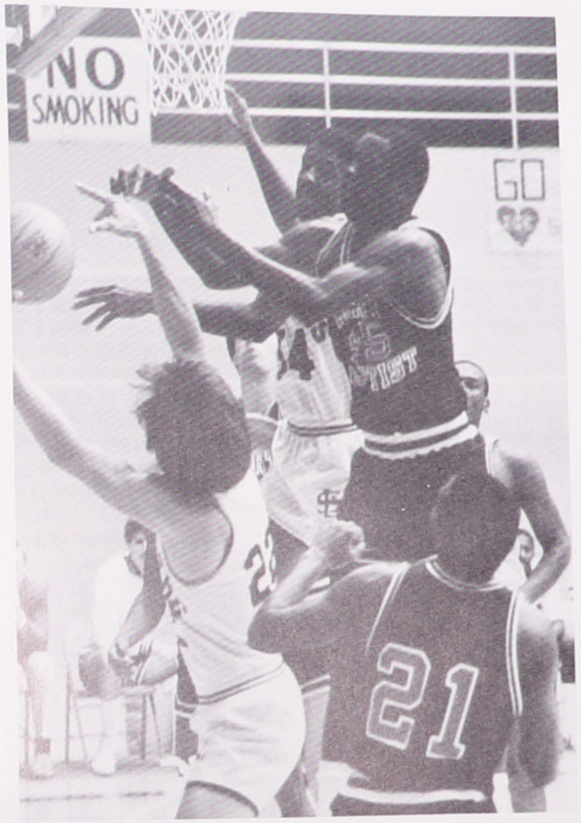
THE YEAR

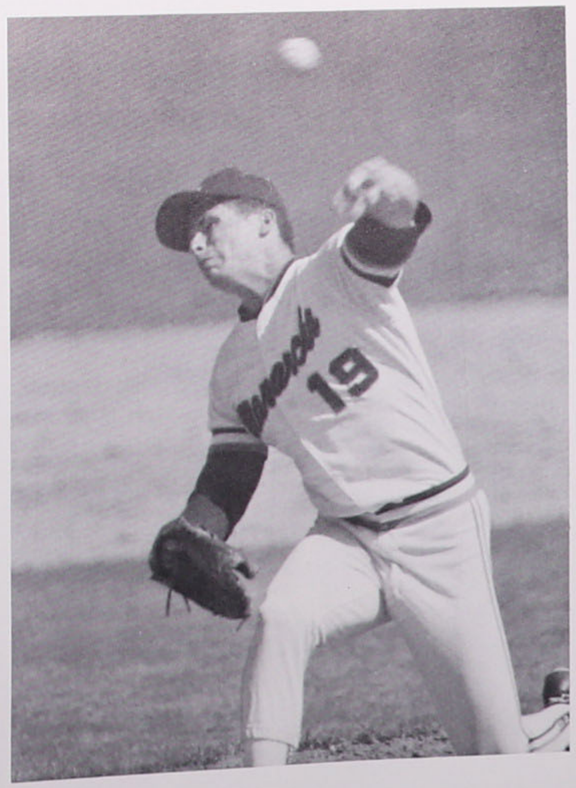






IN SPORTS





The Monarchs Prevail in Their 25th Anniversary Year. The year 1983-84 proved to be a very successful year for Saint Leo and it was due to the individual effort of each athlete, coach, assistant and fan.

To our seniors we wish them all the best and to the underclass, we hope you continue to support our sports programs.

Congratulations to Sankar Montoute and Bob Gibree, Saint Leo athletes of the year.

Let's hope for a more fruitful year in 1984-85.

ACTIVITIES

SWEETHEART DANCE

Sponsored by Psi Theta Epsilon, the Sweetheart dance featured nothing but sweethearts. Held in conjunction with Valentine's Day, the dance attracted many couples — those with sizzling romances, those with accidental crushes and those who were merely good friends.

As usual, a competition for the sweetest couple, by order of popularity, was held. This year's sweethearts were showered with the gift of love — ROSES.

A group of sweethearts in love with the camera.

DANCE CONCERT '84

Let Me Hear Your Body Talk!

The Spring Dance Concert featured numerous forms of jazz movements as well as other advanced forms of dance. Performed by Saint Leo Dance Company and Ensemble and choreographed by Jacalyn Bryan, Lois Henry and two dance concentrators, the Collage of movements reflected the brilliance of the dancers and directors.

DONKEY BASKETBALL

The student government association sponsored a basketball game between the faculty and students to be played on donkeys — that's right, those four-legged stubborn creatures. WHAT INSANITY!

Nevertheless, the evening served as a means to enhance the social life between the faculty and students in this our 25th Anniversary year. The laughs were welcomed but the muscle aches that followed the game were despised.

Above Left: Charlene Giella pets her donkey for a smooth ride.
Above Right: "I thought these were easy to ride."

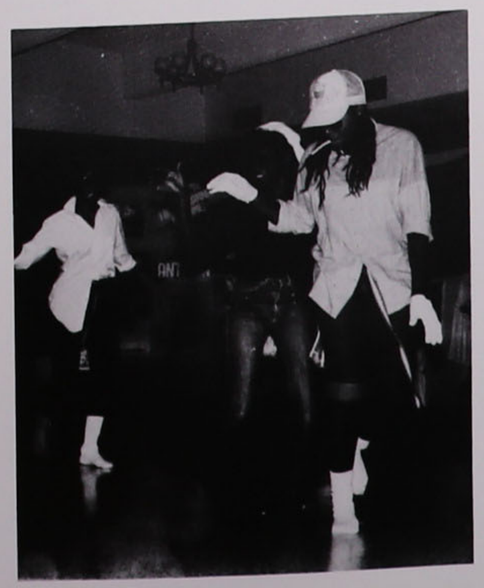
INTERNATIONAL OPEN HOUSE

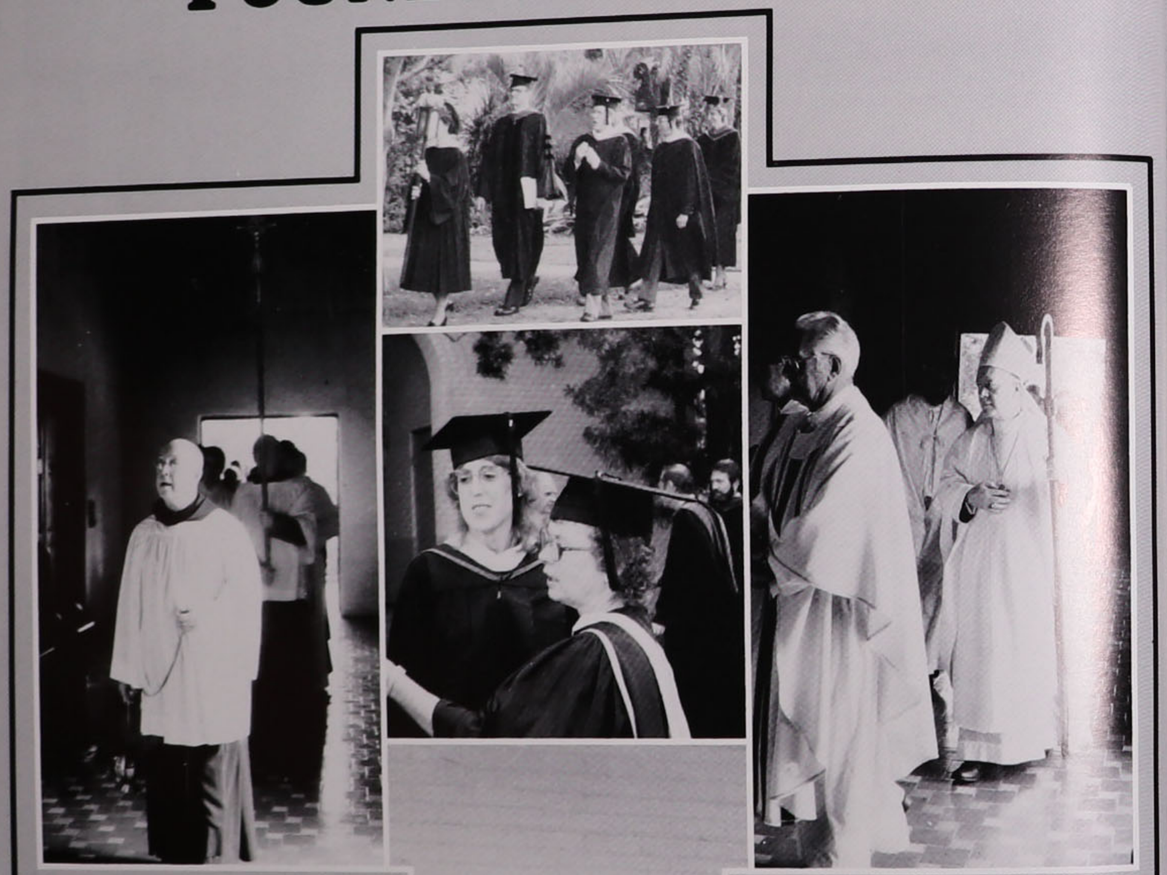
Open House, for the international students, is an opportunity to entertain and educate the student body, faculty, administration and neighboring communities with cultural exhibitions, dances, songs and savory dishes.

October 1983, the International Student Association did just that. Comprised of students from twenty different countries including the United States, the Association intends to share their cultures and traditions with new ones. They dance to native songs and perform with a brilliance that is hardly ever seen in amateurs. The evening climaxed with a tasty and savory food sampling of twenty represented countries and a dance where everyone "got involved."

SLISA



FOUNDER'S DAY . . .



November 10, 1983 marked the first celebrated Founder's Day at Saint Leo College. This is the Feast of Pope Leo I (the Great) from whom Saint Leo got its name. A Mass was held in Abbey Church with the Rt. Rev. Fidelis Dunlap O.S.B., Abbot of Saint Leo Abbey celebrating and Rev. Marion Bowman O.S.B., President Emeritus, delivering the homily.

Following the Mass, a steel sculpture of Pope Leo the Great was unveiled in the Library Plaza. This statue was constructed and designed by Lewis Watkins of Brooksville. The statue was unveiled by the President of the Student Government Association, Ms. Julie Tobey, along with the Public Relations Committee, headed by Ms. Sandy Zbylut. A time capsule, to be opened in 75 years, was placed in the base of the statue.

Sister Jerome Leavy, O.S.B., Prioress of Holy Name Priory and Mayor of the town of Saint Leo, gave a historical address about the College beginning with the founding of the Mother House for the Benedictine sisters in San Antonio in the 1880's. Following this address, the communities surrounding Saint Leo presented proclamations to Saint Leo.

A reception was held in the Hazel Whitman Lounge following the unveiling ceremony. A display of pictures and antique religious objects was presented by Holy Name Priory, Saint Leo Abbey, and Saint Leo College. The displays, prepared by the Public Relations Committee of the Student Government Association, the Sisters of the Priory, and the Brothers and Priests of the Abbey, gave the viewers a chance to visualize "history in the making." The Sisters and Brothers enjoyed explaining the displays and almost forgot about lunch.

The day's events ended with a luncheon for the Board of Trustees, faculty, staff, administration, and student leaders in McDonald Cafeteria. During the luncheon, Robert Moffa, pianist, played an original composition written for the occasion.

FEAST OF SAINT LEO THE GREAT

ALUMNI HOMECOMING

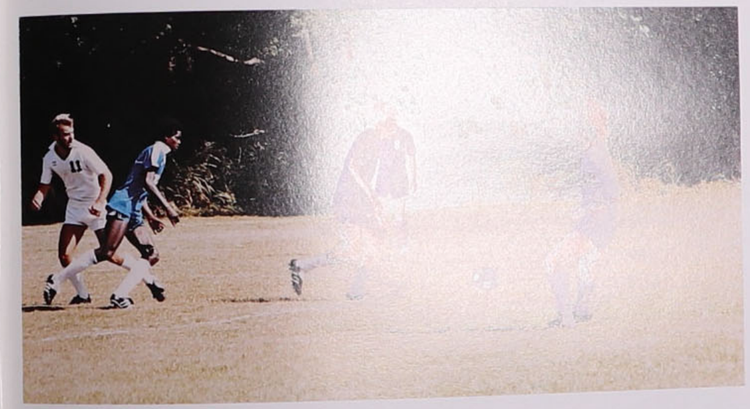
Homecoming! This is a time when old friendships are renewed and brighter ones begin. It is a time when students from the bygone days return to meet present day students and give encouragement for a brighter future.

Parents also play a part in homecoming events and the college provides a warmth that enables these parents to feel welcome.

This year the students, parents, alumni and others enjoyed the talent of the Monarch soccer team even though the final score was a 1-0 loss to Florida Atlantic. Prior to the game the Army ROTC unit provided spectators with a tactics demonstration. This was followed by the annual Homecoming Parade which was won by the Phi Theta Epsilon Sorority entry parading under the theme "The Owls have the brains, but the Monarchs have the power." Mr. Allan Powers, Vice-President for Public Affairs led the parade as the Grand Marshall.

PARENTS WEEKEND

At the half the 1983 Alumni Homecoming King and Queen were selected. John Mulligan and Julie Tobey were crowned King and Queen for the homecoming festivities. Other candidates (pictured on opposite page) were Laura Chmielewski, Donna Cusumano, Mary Ann DeMeo, Joyce Doino, George Levins, Donald Merryshow, Bradley McDonald and Raymond Palmer.

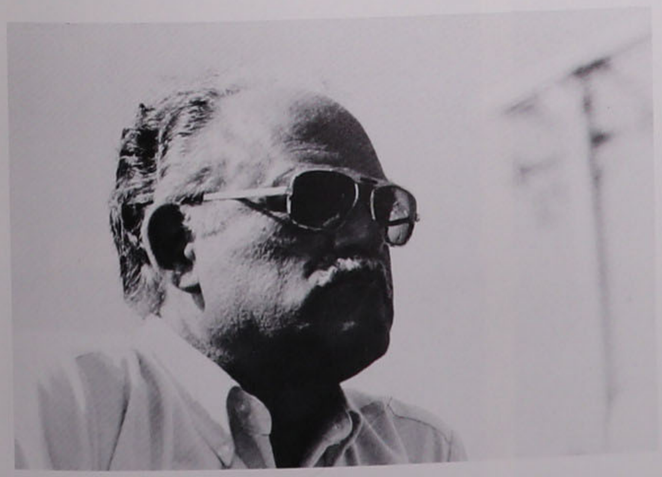


ABOVE: John Mulligan & Julie Tobey.

Also during half time, Willie Glover, Supervisor of Housekeeping, Moving and Painting, and Rev. Dennis Murphy, O.S.B., Director of Admissions, were honored for the contributions of over 25 years of service to Saint Leo College.

The festive occasion climaxed with the President's Ball, an evening of dining and dancing for parents, alumni, faculty and students. Circle K and Sigma Lambda provided the service for the evening.

PARENTS' WEEKEND ALUMNI HOMECOMING BARBECUE



"A SILVER CHRISTMAS"

The Winter Weekend Formal sponsored by Alpha Sigma Sorority is held each December in McDonald Student Center. The theme "A Silver Christmas" was chosen to coincide with the college's 25th anniversary.

Many students attended the semi-formal event expressing the warmth and joys of the yuletide season with the charm of their appearances and the beauty of their smiles. During the evening, Joyce Doino of Weston, CT was selected to reign as "Winter Weekend Queen." Following this momentous occasion, the students danced to the sound of Chaser and dined at a champagne breakfast.

GOLD BAR RACE

Sponsored by the R.O.T.C. department of Saint Leo College, the third Annual Gold Bar Race attracted runners from around the state of Florida. The 10 kilometer race was preceded by a 2 mile fun run around the campus itself.

The 10K course wound through the rolling hills of Saint Leo and San Antonio. Overall 10K male winner was Air Force Captain Paul Hough from MacDill Air Force Base. Saint Leo freshman Phyllis Shalor was the overall 10K female winner. Trophies were also presented to winners of each age group.

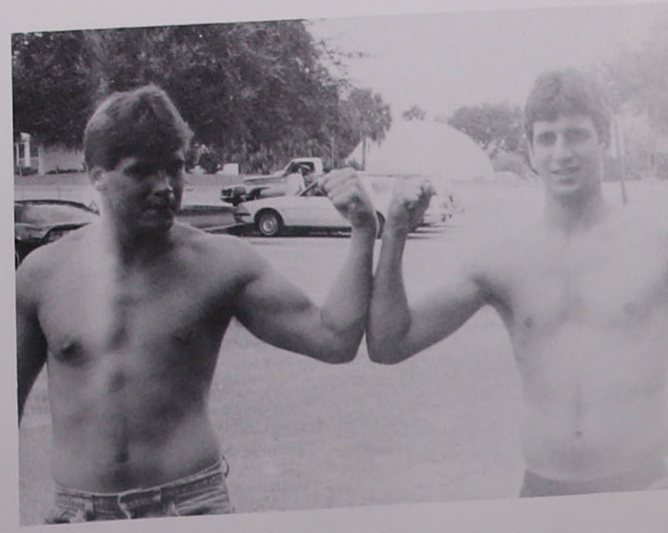
MUSCLES

Mr. Muscle, sponsored by Psi Theta Epsilon sorority, is not really concerned with muscles but with popularity. Each campus organization may enter a candidate and voting takes place during a dance held in the student center as part of the event. This year's winner was John Dickson.



'THE OLD SOUTH FAIR'

THE CREATIVE SOUTH FESTIVAL

The Creative South Festival, highlighted by the 'Old South Fair', reflected an era of beaus and belles. The festival was open to the public and featured dances, folk musicians, arts and crafts, singing and Old South delicacies. Students, faculty and staff wore costumes depicting the bygone days.

Games were also available for entertainment.

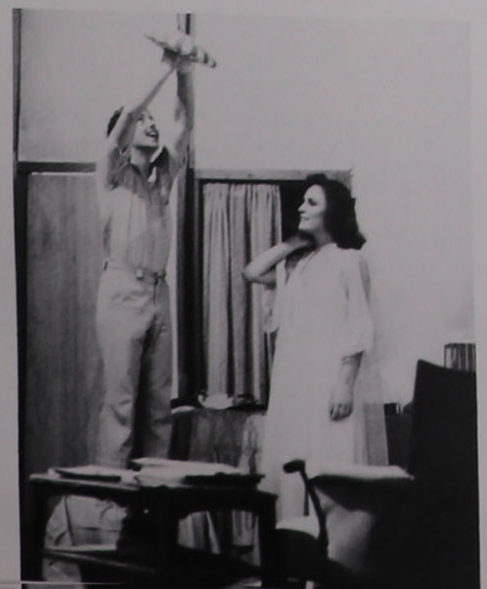
A STREETCAR NAMED DESIRE

by Tennessee Williams

In October as part of the Creative South Festival, Saint Leo College Theatre presented "A Streetcar Named Desire" by Tennessee Williams under the direction of Dr. David Golden. The play evolves around the lives of three people: Stanley Kowalski, his wife Stella, and his sister-in-law Blanch DuBois. The setting is an apartment in the French Quarter of New Orleans.

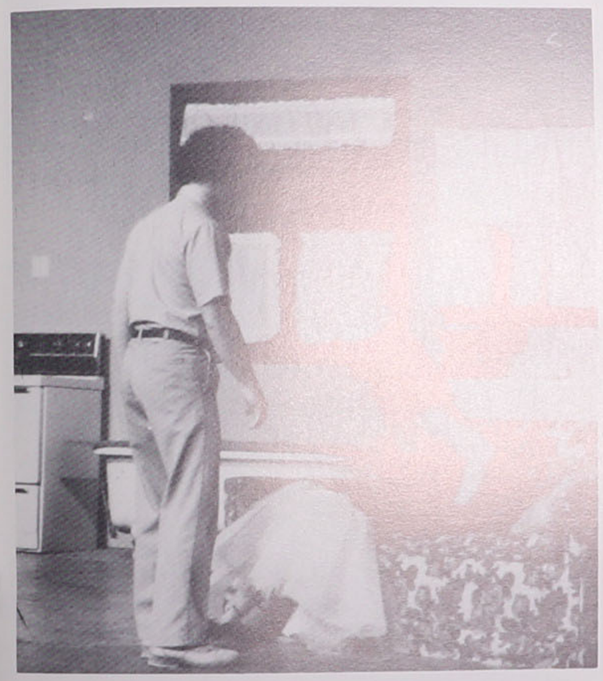
Another facet of the Creative South Festival was a series of lectures presented on Southern drama. The first lecture was given by Dr. James Woodard and entitled "Shame and Shamelessness in A Streetcar Named Desire." Dr. Dirk Budd, chairman of the Humanities Division, spoke on "The Existential Williams." Dr. Warren Leamon of the University of Georgia addressed himself to "Tennessee Williams and Southern Literature." A panel discussion involving the lecturers was moderated by Dorothy Smiljanich of the Tampa Tribune.

Ed Corbett portrayed Stanley, Laura Richards played Stella, and Pamela Schuessler was Blanche.



ACCOMMODATIONS

A comedy by Nick Hall



Directed by Dennis Henry, this hilarious comedy included George Levins (Tracy), Liz Shea Pasha (Lee), Katy Brehmer (Pat), and Ron Reisner (Bob). The very talented cast performed the comedy with characteristics that can be compared to Hollywood's humor.

Set in a Greenwich Village apartment, the comedy was about unlikely roommates; a wife who had just left her husband, and a young male graduate student.

PEACE WEEK

Saint Leo College drew attention during March 21-28, 1984, to the issues of Peace and Justice as part of its Silver Anniversary celebration and the 21st anniversary of Pope John XXIII's encyclical Pacem in Terris. A variety of public lectures, most presented by members of the faculty, and several films including "Gandhi", and "The Atomic Cafe" enabled everyone to get involved and increase their awareness of peace and justice issues. Dr. James Horgan also placed on display in the library his collection of political and social action buttons entitled: "Demonstrating for Peace and Justice — The Social Movements of 1960s and 1970s."

The week of lectures and discussions began on Wednesday afternoon, the Feast of Saint Benedict, with a Mass in the Saint Leo Abbey Church. A candlelight peace vigil was held in the evening and a spectacular fireworks display over the Abbey Church climaxed the evening. Student organizations, campus offices and alumni prepared luminaries which were displayed in the shape of the Benedictine cross and lit as part of the evening's ceremony.

CAREERS DAY

The 2nd annual Careers Day was held February 22, 1984 in Lions Lounge and McDonald Cafeteria. Business organizations from the surrounding area were invited to interview prospective employees and let them know about their respective businesses. Held mainly for graduating seniors, the event was well attended by the entire student body.

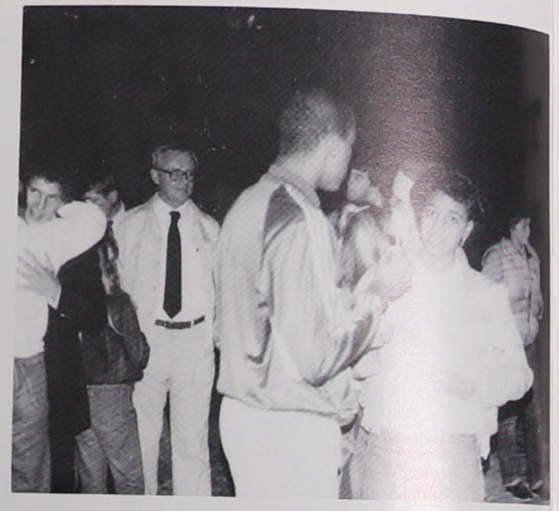
THE CHRISTMAS CONCERT



The Residence Hall Association joined with the Student Government Association to organize an evening of Christmas celebration with hopes to resurrect the tradition and a renewed sense of unity among the students and faculty.

The celebration began with a Mass in the Abbey Church followed by a traditional Christmas concert by the college choir. Following the concert, a candlelight procession through the College Mall from the church was scheduled. The evening climaxed with the lighting of a tree.

THANKSGIVING

Left: Rev. Kelly and students preparing for the Mass to give thanks to God for the food baskets.

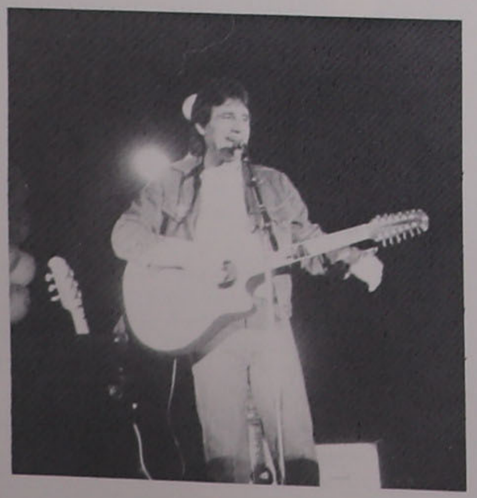
In a unique effort to show the less fortunate that there are people who really care, the College Community, student organizations, faculty and staff combined their efforts in a Thanksgiving food drive. Again the food drive was very successful and this showed that men can spread love and happiness to the needy.

C.U.B. DAY

Held mainly to promote unity among fellow students, the College Union Board sponsored a weekend of fun-filled activities. Happening on the weekend of March 7, 1984, the activities included Simon Sez, a barbacue and band at the lakefront, a concert, a Mass and a whole day of street skating.



A FEDERAL INVASION!

THE WASHINGTON FEDERALS of the USFL held its five weeks of spring training here on the campus of Saint Leo College. The College, in cooperation with the Federals, converted the eastern end of the Marion Bowman Activities Center into an equipment, a training and laundry rooms to accommodate the players and coaches of the USFL team.

The Florida Lambda Chapter feels that it has accomplished many things and is excited to meet the challenges that lie ahead.

"This 1983-1984 section of Sig Ep is dedicated to Dan Kelleher, Tim King, Jeff Sottrel, and Dana Yoho — the graduating Founding Fathers. Through the years we have seen many good times and have pulled through the bad times. You taught us the meaning of brotherhood through your eyes and guidance and wisdom. You brothers have planted the seed, and already we have taken on strong roots and we're branching outward. We raise our Golden Goblets to you and wish you the best."

The Interfraternity Council is the governing body for all the local fraternities. Striving mainly to keep unity among all fraternity brothers, the council has concentrated its efforts to maintain a good social life and offer a keen level of competition in sporting activities. They began working on this since the beginning of the school year and with great amount of dedication hope to continue this in years to come.

Continuing in the standards of excellence, Kappa Theta fraternity has strived for a dramatic change and growth in their fraternity's outlook and definition. A charitable service attitude was adopted and is visible on the campus and surrounding communities. With this attitude KO received the S.G.A. award for outstanding fraternity. A new social aspect of fraternal brothers was adopted and a renewed sense of competition was retained. The great pride in sportsmanship is too bold to be overlooked. The brothers also adopted a grandmother and in that also found pride in service, reverence and closeness of the fraternity.

Psi Theta Epsilon began as a sorority in 1975 and is represented by a daisy which symbolizes each petal as our own individuality, connected to a stigma — our group as a whole. Service projects and social functions are our primary events and because the sisters are so dedicated to that cause, the S.G.A. voted the sorority as outstanding for the 1983-84 school year.

THE CHI FLIES HIGH AFTER 20 YEARS . . .

Alpha Sigma Chi was founded in order to form a more perfect unit of Brotherhood, to establish and provide aid to the development of their fellow brothers, to establish interior and exterior justice, and to promote the knowledge of welfare in such a fraternal group.

The fraternity is primarily concerned with community service. This dedication was portrayed when they won Outstanding Fraternity on Campus for the past two years. Proud of what they stand for, the brothers feel that awards are nice, but real enjoyment comes from the fraternal spirit they engage in.

"The Brown Tide" is celebrating its 20th Anniversary as a fraternity and they are destined to uphold the tradition of brotherhood. Mr. Edmund LaChance, Dean of Educational Services, serves as moderator for the proud brothers who believe an organization gets out of the community as much as they put into it. Hopefully, the individual strength of each brother will keep the foundations of Alpha Sigma Chi, the "Brown Tide", strong for many years to come.

Founded in 1964, this sorority serves to promote the Christian ideals of Saint Leo College and to develop a well-rounded group of young women as future leaders. In striving for excellence among its counterparts, Delta Phi Delta's objectives are to maintain high academic standards, promote social functions and service projects and to spread the ideals of Christianity. Their motto, "Sharing and always caring", promotes these objectives and their extensive involvement in campus activities allows for such ideals.

Based on the values of service, academics, religion, athletics and the pursuit of a good social life, the Sigma Lambda Fraternity was founded with such a foundation. The fraternity offers countless opportunities for leadership experience. The fraternity is very involved with the college community and finds meaning in whatever project it undertakes.

Pledging is the time for self-assurance and dedication to the ideals of a leader. It is also a time of self-evaluation.

Sigma Lambda believes a good athletic program strengthens its brothers and instills a spirit of teamwork and loyalty. It is in this brotherhood that there is no physical bounds. These feelings and close associations are achieved through mutual objectives and common ideals. The fraternity makes a dedicated effort to foster scholarship among its brothers by providing an atmosphere and incentive for serious study.

Kappa Alpha Sigma fraternity was founded by a group of high-minded young men who wished to foster the ideals of the Southern Gentleman. Its goals were to instill in its members the characteristics of chivalry and noble obligation associated with the South.

The fraternity is a traditional organization that takes pride in keeping its traditions alive. Their motto, "Caritas et Varitas" means High Character and Truth. The fraternity is very involved in campus activities and the brothers depicted the Greek meaning of Kappa Alpha Sigma — Gallant, dedicated Confederates.

GREEKS: Mingling, loafing, enjoying spring, planned pandemonium or impromptu hysteria, parties, developing loyalty and individuality.

SAINT LEO COLLEGE

THE WAY WE WERE

THE WAY

WE ARE

As I work on the closing page for the 1983-84 Golden Legend, all the wonderful moments, late nights and hard work unfold like a picture that brings back a thousand memories. Many times I wondered what went wrong? Why all the confusion? Why all the panic-filled deadlines? Yet, through it all I've overcome.

This year's edition is special and I would like first to extend thanks to my staff for a productive year. It included Greg Kent — layout editor, Sandy Zbylut — copy editor, Jami McLaughlin, Bonnie Matthews — photographers, Shane Brennen, Mary Kay Schrader, Nicholas Fox, Wayde Cartwright, Edward Saint-Ivan, Maria Viola, Becky Calvert, Edna DeAquila, Mimi Hanley, and Sheari Elliott. Together we created a masterpiece. You all worked hard and deserve all the praises. Everyone has been slack but who can expect otherwise? We are all humans.

Second, I would like to thank Mr. Powers and Public Affairs. Without them I don't think this edition would have been possible. I would especially like to re-mention Sandy Zbylut for her endless hours and support and Shane Brennen for her continuous encouragement. Thanks to Jamie Fleming for completing the Greek section; John Kaddouri for his pictures; Paul Bermel for all the sports information; Lori Gibbs for her special efforts; Kathy Britton, Dr. Ackerman, Father Henry, and Sister Jerome for their help; Kevin Bethel for his interest; Seppie Allan for all the trouble I've caused her and the information she provided; Dan McGuire for his encouragements; Mrs. Ruffing for her support; Lendrex Ross for his art contribution; Dr. Eileen Stenzel for her support and encouragement; Jerry Gladstein, our Josten's representative; and the entire student body.

Finally, special thanks and more to Ms. Libby Tesar for her encouraging remarks, beliefs, understanding support, and countless hours of work towards the yearbook and myself. As our advisor, she was very inspiring and showed me that success comes with work (lots of it). Also, thanks to Brother Bernard, O.S.B., for his pictures that portray the "historic" Saint Leo College. After all that I've done, he still talks to me. Special thanks is also extended to my friends for their support and understanding; the administration for adorning me with the privilege to edit this year's edition; and my parents for all their love. Where would I be without them?

As I end this special note, my eyes become filled with tears knowing that it's time to say good-bye. I hope that the memories this 25th Anniversary edition contains will be a part of you and that this year will be cherished forever. To the Seniors and next year's staff, good luck; to everyone — THIS ONE'S FOR YOU! Thank God I did it.

Sincerely,

DELTON FAROUHARSON
Editor, 1983-1984
